

WEEKLY REPUBLICAN—1887.
DAILY PUBLIC LEDGER—1893.

MAYSVILLE, KY., FRIDAY, NOVEMBER 24, 1905.

ONE COPY—ONE CENT.

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Representative-elect Munnell Wilson has agreed for \$300 to walk all the way from Madisonville to Frankfort for the Legislature's opening.

Miss Beulah Truitt, one of Lewis county's bright young school teachers, died of typhoid fever at the home of her parents at Quincy a few days ago.

Civil Engineer J. A. Stewart has returned to Cincinnati from Kentucky, where he has completed a survey for the electric line projected to connect Maysville with Paris.

Clarence Gardner, colored, was fined \$7.50 and costs in the Police Court at Dover for striking Pat Ryan, aged about 60, of this city. The night took place in a Dover restaurant, Ryan, it is alleged, accusing Gardner of stealing a pair of shoes.

Why send away from home for goods when we will furnish goods of same quality for price charged by these catalogue houses, and in many instances for less money? Bring your catalogues and compare our prices.

P. J. MURPHY, the Jeweler.

From conversations heard on the streets the Blackburn men of this city and Mason county are perfectly satisfied with the way the Senatorial fight is drifting. They claim Joseph has his fight won, it matters not which way the cat jumps—be it Payater or Haldeman he has to contend with for the Senatorial toga.

The William Durrett homestead of 175 acres, located on Murphysville pike, one mile West of Washington, is in my hands for sale. A handsome brick dwelling of nine rooms surrounded by beautiful forest trees. Two good tobacco barns, well fenced and all the farm is fine tobacco land. Well watered. "Beauty and utility combined."

JOHN DULEY.

The Enterprise reports the total loss by the fire at Germantown early Wednesday morning at \$5,400, on which there was no insurance. Dr. Dimmitt was fortunate in saving all his drugs and office fixtures, while at the Methodist Church all the contents were destroyed, including a new organ which had but shortly been installed.

Claude Willett, Freight Engineer on C. and O., ran a train of eighteen cars loaded with cinders into an obstruction near Vanceburg yesterday. The pilot on the engine was knocked off and draw-bar broken, and one flat car was knocked into kindling wood. The train was brought to this city last evening and returned to Vanceburg this morning.

Colonel Joseph W. Evans, formerly of this city, and son of Rev. and Mrs. Joseph M. Evans of Limestone street, like all men from Maysville, has become popular in his home town, Houston, Texas. Last week the concatenation of Hoo-Hoo held the boards there with a carnival and flower parade, and Mr. Evans was made chairman of the parade that made the carnival famous.

CONTEST BEGINS

CONSPIRACY IS CHARGED

Forty Suits Filed By the Fusion Candidates

All the Offices in Louisville and Jefferson County Involved

Forty suits contesting the recent election of every city and county official in Louisville and Jefferson county were filed in the Circuit Court in Louisville yesterday.

The principal suit is that of Joseph T. O'Neill, the Fusion candidate for Mayor, v. Paul C. Barth, Democrat, who has just been seated in the Mayor's chair. Charges of conspiracy, illegal registration, false returns, force and intimidation are made. The petition asks that the election of Barth be set aside; that O'Neill be declared to have been elected, or that it be decreed that there has been no election.

The last clause in the petition sets forth that Barth's majority is given as 4,826. It is alleged that false returns gave him 2,510 of these votes, reducing his majority to 2,316.

SMALL BLAZE

A Forest Avenue Residence Had a Close Call Yesterday

The residence of Mr. C. W. Garnett, corner Lexington street and Forest avenue, narrowly escaped destruction by fire Wednesday.

He was getting ready to paint the roof of the building and was preparing the mixture on a stove in the kitchen. During his temporary absence the kettle boiled over, causing the fluid to ignite and setting fire to the premises.

Notwithstanding it was quickly discovered, it required the combined efforts of Mr. Garnett and his son to subdue the blaze.

Considerable damage was done to the interior of the kitchen and contents.

Mr. Charles B. Pearce Wednesday examined the books of the State Bank of Dover, which he found in excellent condition.

OFFICEHOLDING over in Ohio, and especially in "Reformer" TOM JOHNSON's town of Cleveland in the county of Cuyahoga, ain't to be sneezed at. A report has just been made to the State Auditor which shows that the County Auditor there got \$46,925.31 last year, the Treasurer \$40,063.98, the Recorder \$11,224.79, Sheriff \$6,413.59, Probate Judge \$5,783.13, Clerk \$35,255.09, and the Commissioners \$3,500 each. Looks like some of these chaps were in training for the Presidency of a life insurance company.

In his "inaugural address," upon assuming the duties of Mayor of Louisville, Mr. BARTH said—

"If the Democratic party is not capable of giving to the city of Louisville a better system of government in every direction than another party, the Democratic party ought to be defeated and that party which can come in and give the city of Louisville a better government than the Democratic party ought to take up the reins."

Now, let's see the full measure of faith in which Mr. BARTH carries out this manly declaration; and it cannot be more forcibly demonstrated than by divorcing his police force from politics, ridding his beautiful city of saloon rule, driving out the thugs and thieves and rendering life and property absolutely safe—none of which were done by his Democratic predecessor.

THE greatest Republican victory of the year was won in Philadelphia, where every officer elected was a real Republican, and where every one defeated was a "gang" Republican. Thousands of life-long Democrats voted for the successful Republican nominees.

THE champion "grafter" is that New York dentist who did a few dollars worth of work for Prince Louis of Battenberg, during the latter's visit in this country. The total time spent with the dentist was twelve hours, and the bill was \$1,000. The Prince said nothing, but gave his check for the amount. Later he showed the receipt to his friend, Colonel ROBERT M. THOMPSON, and, as a result, the matter was left in the hands of Sir PERCY SANDERSON, the British Consul General. All further action will be in Sir PERCY's hands. The work done by the dentist consisted in filling four teeth and putting in an artificial one. It is to be hoped that the "grafter" will be compelled to disgorge a large part of what he literally stole from the distinguished visitor, and that his exposure will prompt people to steer clear of his shop in the future.

RAKINGS

ENGLISH AS SHE IS WRIT.

A recent occurrence in a provincial schoolroom caused no end of trouble for one bright little chap. The class convened promptly at 8 o'clock, and the teacher, wishing to develop any literary traits in the minds of the children, wrote upon the blackboards the words "bitter" and "end," requesting each member of the class to make a sentence out of them. Up bobs little Mary Jones, all serene and happy, with one of those decided I-know-it-all expressions on her face. Said Mary: "The Japanese fought the Russians to the bitter end." "Very good," said the teacher. "Is there any one else?" "I have one," said little Willie Wise. "Let's have it," said the teacher. "Our dog chased the cat under the sofa and bitter-end." Next!

THE LIVER QUARANTINE

"Hurried eating has ruined many a man's stomach. The digestion-destroying process is gradual, often unnoticed at first. But it is only a short time until the liver balks, the digestive organs give way, and almost countless ills assail the man who endeavors to economize time at the expense of his health. A torpid liver causes a quarantine of the entire system. It locks in the diseased germs and body poisons and affords them full play, inviting some serious illness. In families where August Flower is used, a sluggish liver and constipation are unknown, so are all stomach ailments, as well as indigestion, dyspepsia, heartburn, headaches and kidney and bladder affections. No well-regulated family should be without this standard remedy. Two sizes, 25c and 75c. All druggists.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Women in Our Hospitals

Appalling Increase in the Number of Operations Performed Each Year—How Women May Avoid Them.

Miss Ruby Mushrush

Mrs. Fred Seydel

Going through the hospitals in our large cities one is surprised to find such a large proportion of the patients lying on those snow-white beds women and girls, who are either awaiting or recovering from serious operations.

Why should this be the case? Simply because they have neglected themselves. Ovarian and womb troubles are certainly on the increase among the women of this country—they creep upon them unawares, but every one of those patients in the hospital beds had plenty of warning in that bearing-down feeling, pain at left or right of the womb, nervous exhaustion, pain in the small of the back, leucorrhoea, dizziness, flatulency, displacements of the womb or irregularities. All of these symptoms are indications of an unhealthy condition of the ovaries or womb, and if not healed the penalty has to be paid by a dangerous operation. When these symptoms manifest themselves, do not drag along until you are obliged to go to the hospital and submit to an operation—but remember that Lydia E. Pinkham's Vegetable Compound has saved thousands of women from surgical operations.

When women are troubled with irregular, suppressed or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, bloating (or flatulency), general debility, indigestion, and nervous prostration, or are beset with such symptoms as dizziness, lassitude, excitability, irritability, nervousness, sleeplessness, melancholy, "all-gone" and "want-to-be-left-alone" feelings, they should remember there is one tried and true remedy.

The following letters cannot fail to bring hope to despairing women.

Mrs. Fred Seydel, 412 N. 54th Street, West Philadelphia, Pa., writes:

Dear Mrs. Pinkham:—

"I was in a very serious condition when I wrote to you for advice. I had a serious womb and ovarian trouble and I could not carry a child to maturity, and was advised that an operation was my only hope of recovery. I could not bear to think of going to the hospital, so wrote you for advice. I did as you instructed me and took Lydia E. Pinkham's Vegetable Compound; and I am not only a well woman to-day, but have a beautiful baby girl six months old. I advise all sick and suffering women to write you for advice, as you have done so much for me."

Miss Ruby Mushrush, of East Chicago, Ind., writes:

Dear Mrs. Pinkham:—

"I have been a great sufferer with irregular menstruation and ovarian trouble, and about three months ago the doctor, after using an X-Ray on me, said I had an abscess on the ovaries and would have to have an operation. My mother wanted me to try Lydia E. Pinkham's Vegetable Compound as a last resort, and it not only saved me from an operation, but made me entirely well."

Lydia E. Pinkham's Vegetable Compound at once removes such troubles. Refuse to buy any other medicine, for you need the best.

Mrs. Pinkham invites all sick women to write her for advice. Her advice and medicine have restored thousands to health. Address, Lynn, Mass.

BOND ISSUE LEGAL

Court of Appeals' Decision on Nicholas County Suit

In an opinion by Judge Barker the Court of Appeals Wednesday upheld the judgment of the Nicholas Circuit Court in the case of M. C. Hawkins and others against Nicholas county. The appellant, suing for himself and other taxpayers, sought to recover sums aggregating \$34,421, paid under what, he alleged, was an illegal assessment. The Court below sustained a demurrer to the petition and dismissed it.

The Fiscal Court of Nicholas county, in 1894, sold \$24,000 of county bonds to pay for the building and repairing of the County Court-house.

To meet the interest and pay the principal, the county, from 1894 to 1900, levied a tax on all property. The legality of the bonds and levies is sustained.

STATE ELECTION COMMISSION

Certificate of Election Issued Yesterday to M. J. Hennessey

The State Election Commission met at 11 o'clock yesterday morning in the Department of the Secretary of State at Frankfort for the purpose of canvassing returns of the recent election.

The votes cast for and against the proposed Constitutional Amendment to return to the viva voce system of voting could not be canvassed, only eighty-five counties having reported officially on the question. This will be canvassed later.

The Commission issued a certificate to M. J. Hennessey of Bracken county as Commonwealth's Attorney for the Nineteenth Judicial District.

Mr. Hennessey's majority over Mr. J. G. Wadsworth was 109.

ROYAL TONIC

Beats Anything We Ever Sold as a Strength-Creator and Body Builder.

Our well-known druggist, Mr. John C. Pecor, is very enthusiastic over the delicious cod liver oil preparation, which contains no oil. In referring to the matter, said Mr. Pecor, "We sell many tonics, and we handle all kinds of remedies that claim to be invigorators and strength-creators. We do this because we are druggists, and it is our business to supply the public with what they want."

"When our advice is asked, however, in regard to a tonic, body-builder or strength-creator, we invariably recommend Vinol, as we know of nothing that can compare with it."

"In Vinol modern science has given us all of the tonic, body-building and curative properties of that famous old remedy, cod liver oil, actually taken from fresh cod's livers, without a drop of the obnoxious and system-clogging grease which characterizes old fashioned cod liver oil and emulsions and which has proved such a drawback."

"Vinol is not a patent medicine, as the label on each bottle tells everything it contains, therefore you know exactly what you are taking. In the most natural manner it tones up the digestive organs, creates a hearty appetite, makes rich, red blood, and strengthens every organ in the body to do its work as nature intended."

"Our faith in Vinol is so strong that we gladly offer to refund the money in every case where it fails to give satisfaction."

Stand the Cold Off

The largest, most varied and most satisfied line of ROBES and BLANKETS ever shown in this section is awaiting your inspection at our Repository. The showing includes the newest and latest designs, ranging from the common sort to the finest products of the loom. They are going like circus tickets since we first put them on display. And no wonder. They run away from anything we have ever seen since we began business, and are priced surprisingly low. We never had a better line; you never had a better opportunity. Call today.

THEY'RE OUT OF TOWN

Many Young Men Just Now Have Business Elsewhere

During the sitting of the Grand Jury this city is always on its good behavior.

It's then that the sports have urgent business out of town which detains them until the Star Chamber Session of the Twelve Wise Men conclude their meetings and return findings to the Court.

It is surmised by knowing ones that certain members of the Jury are anxious to sink the dissecting knife deep into the putrid flesh of the city's evil and immoral ways.

In fact, they want to delve into matters that if brought into the lime light of public gaze would be real embarrassing to not a few.

A general dragnet would catch so many fish that it is not improbable that a conservative course will be pursued by the august body, and only a few sample cases handed out.

The Christian Church at Minerva has lately been thoroughly overhauled.

Emmett Orr, United States Deputy Marshal, was in the city yesterday on special business.

CAME NEAR DYING

From an Awful Skin Humour,
Scratched Till Blood Ran,
Wasted to Skeleton.

CURED BY CUTICURA

One Application Soothed Him to Sleep. Cure Speedy and Permanent.

"When my little boy was three months old his head broke out with a rash, which was very itchy and ran considerable watery fluid. We tried everything we could, but he got worse all the time till it spread to his arms, legs, and then to his entire body, and he came near dying. It itched so he would scratch till the blood ran, and a thin yellowish stuff would be all over his pillow in the morning. I had to put mittens on his hands to keep him from tearing his skin. He got so weak he took fainting spells and we would think him dying. He was almost a skeleton and his little hands were thin like claws.

"He was bad about eight months when we tried Cuticura. I had not laid him down in his cradle in the daytime for a long time. He had got so that he just slept in our arms all the time.

INSTANT RELIEF

"I washed him with Cuticura Soap and put on one application of Cuticura Ointment and he was so soothed that I put him in the cradle. You don't know how glad I felt when he felt better. It took one box of Cuticura Ointment, pretty near one cake of Cuticura Soap, and about half a bottle of Cuticura Resolvent, to cure. I think he would have died only for the Cuticura."

MRS. M. C. MAITLAND, Jasper, Ont. No return in 14 years: Mrs. Maitland writes, under date of Feb. 24, 1903: "It affords me pleasure to inform you that it is fourteen years since my boy was cured of the terrible skin disease. He has been permanently cured and is hearty and strong."

Sold throughout the world, Cuticura Resolvent, 50c. (in form of Chocolate Coated Pills, 25c. per box of 50), Ointment, 25c. Soap, 25c. Depot: London, 27, Charterhouse St.; Paris, 5 Rue de la Paix; Boston, 137 Columbus Ave. Potter Drug & Chem. Corp. Sole Proprietors. See "How to Cure Every Humour."

Good, Suitable Clothing!

Is one of the most essential provisions for mankind. Thus it is important the children and boys are provided with suitable garments by the parent. The young men have fancies of their own; the elderly gentlemen have styles of a personal character.

The One Question Which Concerns All Alike

Is where to find their fancies. The knowing ones with one accord will say it is where you find guaranteed merchandise; where prices are in plain figures; where your money will be refunded if you so desire; and that place is

MAY COME THIS WAY

Prospect of Having Natural Gas Piped to Maysville

It may be sounding a trumpet of prosperity a little in advance, but it is not an improbability that the day is not far distant when this city will have the advantages of natural gas for heating and cooking purposes.

It has not been many days ago since Judge W. T. Cole of Greenup county, through the Fiscal Court, was granted right-of-way for a pipe line to pass through that county.

An Eastern Syndicate with ample capital is constructing the line.

It is the intention to pipe the gas from the fields in Eastern Kentucky across the river at Greenup and continue down the Ohio side to Cincinnati, supplying towns and cities along the route.

It would be a feasible matter to pipe the gas from the Ohio shore to this side and supply the city with a fuel that is not to cost the consumer over 27 cents a thousand.

The Board of Trade is reaching out for every good thing in sight that will redound to the glory and welfare of our beloved Seven Acre City.

Then why not get in on the ground floor of this enterprise that is bound some day to materialize?

Investigate the matter! It will only cost a little time and a few postage stamps.
